Mission Statement…Quality Training Solutions

To achieve excellence as a leading Registered Training Organisation by inspiring individuals to reach their full potential and to provide specialist training and employment services to the community.

Why you should use Astute Training

Astute Training is a privately owned Registered Training Organisation (RTO). Astute Training provides quality service and training delivery based on nationally accredited, and industry-led programs.

Our Commitment

Astute Training is committed to training personnel who will gain a recognised qualification at the completion of their training and become valuable members of the community who will make a significant contribution to the Australian Workforce.

Networking

Linked with several industries, employer groups and local communities, Astute Training has an enviable reputation of excellence through quality service delivery and excellent student support services.
